

# IMPORTANT

# Your GREEN waste

It's been another difficult year for all. To help us deliver the best service we can for all our customers we're going to be focusing on **blue** bins, **black** sacks and street cleaning for the next few weeks.

For us to do this

**GREEN** waste will not be collected from **Monday 13 December** to **Friday 28 January** inclusive.

**BLUE** bins and **BLACK** sacks will be collected as normal.

## To find out more

including collection day changes over bank holidays visit  
[www.eastcamb.gov.uk](http://www.eastcamb.gov.uk)

Green waste can also be taken to the Waste Recycling Centre  
at Witchford

Please be careful if disposing of green waste on bonfires

# IMPORTANT

## Your GREEN waste

[www.eastcambs.gov.uk](http://www.eastcambs.gov.uk)

The team at East Cambridgeshire Street Scene have been juggling the effects of COVID-19 combined with a national shortage of HGV drivers. Now with the extra pressure of Christmas and the New Year period which sees blue bin and black sack waste increase substantially, we've made the tough decision to temporarily halt the collection of green waste services. While **blue** recycling bins and **black** sacks for non-recyclable waste will continue to be collected as planned, **green** waste will not be collected from

**Monday 13 December to Friday 28 January inclusive.**

**Please help by**

- ✓ Showing support for waste operatives
- ✓ Reducing food and garden waste
- ✓ Home composting
